

THE GRAND RIVER TIMES, Sept. 30.

LOCAL AND MISCELLANEOUS.
AGENTS.—The following named gentlemen will act as our agents for receiving subscriptions and advertisements for the Times. Their receipts will be considered as valid.
JAMES SAWYER, general agent for Ottawa Co.
JOHN BARNARD, Robinson.
A. X. CARY, Grand Rapids.

The steamers *Oliver Branch* and *Michigan* leave this place at about 12 M., as follows:
Michigan, going east, going west,
Mondays, Tuesdays,
Wednesdays, Thursdays,
Fridays, Saturdays,
Oliver Branch, going east, going west,
Tuesdays, Mondays,
Thursdays, Wednesdays,
Saturdays, Fridays.

Off to the convention—our editor.

EASTMAN'S STEAM MILL.—The new mill in this place commenced running last Saturday. It worked beautifully—the boiler, engine and machinery being of sufficient size and power to propel even more machinery than was attached. The engine and fixtures were made and put up by Wm. M. FERRY, JR., of Ferrysburg, and, as usual with his work, give the best satisfaction.

The daily *G. R. Enquirer & Herald* of Oct. 1st, contains a well-written article on the Ottawa county fair, from a Grand Haven correspondent.

THE PENINSULAR BANK.—We learn by the *Detroit Free Press* that the Peninsular bank closed its doors on Sept. 30th. The *Press* is quite confident that the bank will soon resume business.

The St. Louis agricultural and mechanical association, at its second fair, lately held, awarded in premiums over \$16,000.—We would acknowledge the receipt of a "programme of the exhibition."

Our western mail was made up two days later than usual last week, on account of a rush of business; but as it is made up this week two days earlier than ever before, we call it an even thing.

Want of time, in consequence of our arrangements to attend the editorial convention, is the principal cause of our short comings this week.

THE BANKS.—A large number of banks have recently failed. We have held from fifty to one hundred dollars during the past four weeks, but, with our usual good luck, have not lost a dollar. Fearing, however, the misfortune of waking up some morn and finding ourselves penniless, we have wisely concluded to attend the editorial convention, and use our "pile" while it is good.

Important to Everybody.

For the last three years, I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of \$200 each, which has averaged me at the rate of \$2,000 to \$3,000 per annum; and having made arrangements to go to Europe in the Spring of 1888, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada, who will remit me the sum of \$1. I am induced, from the success I have been favored with, and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from \$5 to \$10 PER DAY at it, to give to any person an opportunity to engage in this business, which is easy, pleasant and very profitable, at a small cost. There is positively NO HUMBUG in this matter.—References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of N. York State, Pennsylvania and Maryland, whom I have instructed, are now making from \$3 to \$5 per day at it. It is a GENUINE BUSINESS, and but a few shillings is required to start it. Upon receipt of \$1, I will immediately send to the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

Our stock is unusually large, and was selected with the greatest care with a direct view to the wants of our customers; our experience having taught us that the best goods invariably give the best satisfaction.

To our friends in Zeeland, Blendon, Allendale, and other towns, we would say that the bridge across the bayou on the south side of the river, opposite the store, is now being completed, thereby rendering our place easy of access,—with a smiling ferryman ever ready and willing to ferry our customers at all times to and from the store, free of expense.

The centrality of Eastmanville renders it more convenient for a greater portion of the inhabitants of Ottawa county to do their trading here, than at any other point on Grand River. Shinglenen can come in, in the morning, take cash or produce for their shingles, and return home the same day, thus making a great saving of time and expense.

We also keep constantly on hand and for sale a large assortment of **DRUGS AND MEDICINES** of a superior quality. Physicians' prescriptions compounded and put up on short notice.

Being engaged in business in Chicago as well as in Eastmanville, we can and will pay the highest market price for A. No. 1, Shingles, Logs, Bark, Staves, Posts and Produce.
